MEMORANDUM FOR NATIONAL FOREIGN INTELLIGENCE BOARD, SECRETARY

SUBJECT: Interagency Intelligence Production ☐ re NFIB-14.2/5.

1. ☐ Reference is made to memorandum from Bruce C. Clarke, Jr., subject as above, requesting suggestions or comments by 1 April. 25X1
2. ☐ Concur with the guidelines at Attachment provided the following suggestions are accepted: 25X1
 - a. ☐ lc. Change the last sentence to read, "The IIM is issued by the DD/NFA with the advice of NFIB." REASON: Lack of coordination with the NFIB principals through representatives will not allow proper consideration of factual evidence and proper interpretation by the Intelligence Community. 25X1
 - b. ☐ ld. Change the last sentence to read, "It is the shortest and most time urgent of the types of intelligence production. Complete coordination within the Intelligence Community should be accomplished with the advice of NFIB." REASON: Lack of coordination with the NFIB principals through representatives will not allow proper consideration of factual evidence and proper interpretation by the Intelligence Community. 25X1
 - c. ☐ Attached chart. Method of Coordination column should list for each standard form, "NFIB principals (through Reps)." REASON: Complete coordination can be accomplished within the Intelligence Community by this time proven method. 25X1
